INDEPENDENCE™ IS UNIQUE AND UNCOMPROMISING.

Its distinctive surface is the product of an unusual color blending process, but its underlying character comes from our patented Shangle® design, featuring a one-piece full-size base shingle, random laminated tabs and deep shadow lines for a dramatic, dimensional appearance no other asphalt shingle can claim.

but otherwise,
in a class by itself

specifications

- Full-size, one-piece fiber glass-based shingles with random overlay tabs
- 300 lb. per square
- UL Class A fire resistance
- UL certified to meet ASTM D3462
- UL certified to meet ASTM D3018 Type 1
- Conforms to CSA standard A123.5-98

warranty

- Lifetime limited transferable warranty against manufacturing defects on residential applications
- 50-year limited transferable warranty against manufacturing defects on group-owned or commercial applications
- 5-year SureStart™ protection
- 5-year warranty against winds up to 110 mph
- 10-year StreakFighter™ warranty

See actual warranty for specific details and limitations.

WinterGuard™

Waterproofing underlayment prevents leaks caused by ice dams and wind-driven rain in the vulnerable areas.

Roofers' Select™

High-performance underlayment is a secondary barrier against leaks for the entire roof.

Shingles and Accessories

High-quality shingles are covered by one of the best warranties in the business. Accessory products - starter course, and hip and ridge cap shingles - complete your roof from start to finish.

Ventilation

Proper attic ventilation improves air circulation. Air Vent, Inc. ventilation products are recommended for use in connection with the Integrity Roof System.

tips for selecting a roof

1. Think big - View a full-sized shingle, not just a swatch or sample.
2. Be real - Look at actual houses where the house and roof color combinations are similar to what you're considering.
3. Watch the light - As you look, notice how colors appear under changing light conditions and at various times of day.
4. Consider the pitch - Look for roofs with a similar pitch to your own. A roof's pitch affects the way you see its color.
5. Ask your contractor - They might be able to point you to a home where they've installed a roof of your style and color.

What's behind our #1 rating?

Builders and remodelers across America know certain things to be true of CertainTeed. For starters, we've been in the roofing business for over 100 years. We have thousands of satisfied homeowners. The process of building that satisfaction begins the moment you turn to us.

CertainTeed offers you the broadest range of color and style choices. But you'll see it's not style over substance. You'll get a roof that's made from the highest quality materials and backed by a strong warranty program. It's our promise to you: quality made certain, satisfaction guaranteed.

Add a little accent to your roof.

For a stylish finishing touch to cap hips and ridges, Shadow Ridge accessory is available in colors to match your Independence shingles. CertainTeed Starter strip is the recommended starter course for Independence shingles.

Color Companion Products™

With CertainTeed Flintlastic® SA, you can coordinate flat roof areas like carports, canopies and porches with your main roof. Flintlastic SA is a self-adhering low slope roofing product available in eight colors that match some of the most popular CertainTeed shingles. Ask your contractor for more information.

Lifetime limited transferable warranty, including 5-year SureStart™ protection, is applicable only in the United States, its territories and Canada; for products sold outside these areas, please refer to the International Warranty for specific details and limitations.

NOTE: Due to limitations of printing reproduction, CertainTeed can not guarantee the identical match of the actual product color to the graphic representations throughout this publication.

Independence is available in areas shown:

- North Central Region
- Northwest Region
- South Central Region

Note: All colors available to International Sales.
